My dear Fagal-ul-Qaderi

I could not hear you well enough on the telephone the other day, but I was glad to see your statement in the press that whereas administrative deficiencies will be put right, there can be no change in the fundamentals of the Education reforms. I congratulate you on this & advise that the units

if the new scheme should
continue to be explained
through all mass media.

I am afraid these
Sunder's troubles in East
Pakistan especially will continue
to be engendered by the
engranted politicians &
we have to learn to deal
with them without losing
our hearts & without giving
in on essentials.
