

MINISTER FOR LABOUR & CO-OPERATION,
GOVERNMENT OF WEST PAKISTAN
LAHORE

23rd December, 1965.

My dear Chaudhry Sahib,

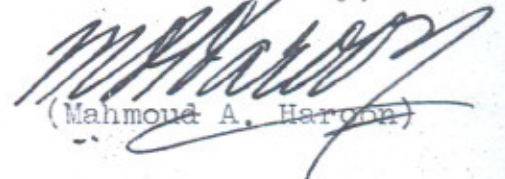

I am most grateful for the kind sentiments expressed by your goodself in your letter dated the 16th December, 1965. As you are well aware that whatever I did or could do or shall do in future is not based on any formalities but because I hold you in the highest regards and consider you as a brother.

I agree with your sentiments regarding life and the values which every human being should have therein. It is only the right sense of values which can enoble a human being and I feel that if the sense of values is lost the soul is lost and human being cannot fulfil the task for which he was created by God.

I shall be going to Karachi on the 24th and I shall take up the matter regarding the lost bills and shall inform you later of the developments.

My kind regards to Begum Sahiba and remembrance to children.

Yours brotherly,

(Mahmud A. Haroon)
