My dear Mr. Fazl Qadir Chowdhri,

I hope you will accept the
sincere congratulations of an old
admirer and wisher on your excellent
choice as a Minister of
Pakistan.

People like me, in the line
though they are content to be,
cannot forget your gallant conduct
in 1954, nor can I personally fail
to remember the great impression you made
on me during our last comradeship in
Dacca in 1955.

My best wishes,

Yours sincerely,
Mustaf Jullana
