KARACHI,
August 24, 1949.

My dear Mr. Chowdhury,

I was expecting that when you were in Karachi you would come and discuss with me the proposal with regard to the starting of a newspaper in Chittagong. You did not come, and this led me to think that you were no longer interested in the venture. However, if you still feel that you can do something with regard to the starting of a paper in Chittagong, I shall be glad if you contact Mr. Aftab Ali, General Manager, Haroon Sons, at Chittagong, and jointly put up some proposal to me which I shall be glad to consider.

In the meantime, I may inform you that machinery for the Printing Press is already in Chittagong and is in the process of being fitted.

With best regards,

Yours sincerely,

(YUSUF A. HAROON)
