My dear Chowdhry Sahib,

Asalam- alai- Kum. Before I congratulate you on your appointment as Minister of Food, Agriculture and Works I would like to introduce myself to you. I am a younger brother of Mr. S.A. Suhrawardy, Chairman of late Railway Board. I had met you at his residence at Karachi and had a quite a long talk about our associations of the Muslim-League of pre-partition days. I still remember your fine speech which you made in Imperial Hotel Delhi when we were deliberating the issue of accepting the truncated Pakistan as it stands today. You must be remembering it that only thirteen members opposed it and I was one of them.

I am glad that you have accepted a seat in the Cabinet and I am sure that under your able guidance the question of begging food from foreign countries will stop and our country will be self sufficient for all time to come. I pray God the Almighty that He may guide you and the whole Cabinet to Sirate- Mustaqim. Amin.

Please accept my heartiest congratulations and good wishes again. With best wishes.

Yours sincerely,

Suhrawardy
